Subject – Performance Certificate

Dear Sir,

I would like convey my sincere thanks to management and subordinate team of M/S Tirth Agro Technology Pvt. Ltd, Rajkot, Gujarat for providing Shaktiman Multi-Purpose Platform Machine Manufactured by TIRTH AGRO TECHNOLOGY PVT LTD (RAJKOT, GUJARAT), at GETCO, 400KV Mansar(Halvad) sub-station on Demo basis on 05.04.2019 & 13.04.2019. We have found machine to be very useful for 400 KV, 220 KV Sub Station maintenance, we observed following useful point

- Short Set up time,
- Easy movement in metal spreading area switchyard,
- Only one manpower can operate easily
- Many point maintenance at short time
- Proper levelling of base platform not required.
- Maintenance of all bay elements up to height of 8 meter may possible
- Easy to operate
- Better Safety of manpower in compare to other conventional method used to work at height

We are satisfied with the performance of machine for GETCO EHV substation maintenance work & machine is very Efficient.

Thanking you

Yours faithfully,

(M.K.Chikhalia)  
Executive Engineer  
GETCO, 400KV Mansar S/S
